Engine Oil

PETRONAS Syntium 1000 5W-30

Range: PETRONAS Syntium 1000

Long description:

- Superior high temperature oxidation control, delivering lubrication stability and prevents car breakdown.
- Withstanding high temperature lubricant evaporation loss to stop premature thermal degradation to help preventing engine failure from wear & tear.
- Superior fuel economy.
- Instant start up lubrication
- Minimize friction and start up wear.

Product data sheet

Viscosity: 5W-30

Industry Specifications: API SN ILSAC GF-5

Application(s) - For Consumers pages: Passenger car
