

Engine Oil**PETRONAS Syntium 3000 5W-40**

Range: PETRONAS Syntium 3000

Long description:

- Exceptional piston cleanliness and deposits control for longer peak performance
- Excellent engine sludge protection to control deposits build up
- Exceptional engine durability and robust wear protection especially during engine start-up
- Improved turbocharger protection
- Exceptional shear stability to ensure optimum film thickness at all temperatures and climate conditions

Viscosity: 5W-40

Industry Specifications: API SN/CF ACEA C3

OEM Performance - Only for Automotive: MB 229.31 VW 502.00/505.00

Application(s) - For Consumers pages: Passenger car
