

Engine Oil

PETRONAS Syntium 7000 Hybrid 0W-20

Range: PETRONAS Syntium 7000

Long description:

- Ultimate high temperature oxidation control, provide protection against oil thickening at high / excessive temperatures.
- Ultimate high temperature deposit control to improve drivability and enhances engine performance.
- Withstanding high temperature lubricant evaporation loss to stop premature thermal degradation to help preventing engine failure from wear & tear.
- Ultimate fuel economy performance even after aging, the oil run in the engine continue to provide good protection and wear. Engine just perform like new.

Viscosity: 0W-20

Industry Specifications: API SN PLUS ILSAC GF-5

OEM Approvals - Only for Automotive: GM DEXOS 1 GEN 2

Application(s) - For Consumers pages: Passenger car
