

Engine Oil

PETRONAS Syntium 800 5W-30

Range: PETRONAS Syntium 800

Long description:

- Outstanding high temperature oxidation control, delivering lubricant.
- Withstanding high temperature lubricant evaporation loss premature thermal degradation to help preventing engine failure from wear & tear.
- Superior fuel economy.

Viscosity: 5W-30

Industry Specifications: API SN ILSAC GF-5

Application(s) - For Consumers pages: Passenger car
