

Engine Oil**PETRONAS Syntium 800 Diesel 10W-30**

Range: PETRONAS Syntium 800

Long description:

- Advanced High Temperature Oxidation Control, ensuring protective lubrication to engine parts to maintain optimum engine performance
- Advanced High Temperature engine deposits Control to improve drivability and maintain power.
- Enhanced fuel economy.
- Longer drain capability.
- Instant start-up lubrication.
- Protects emissions Control system.

Viscosity: 10W-30

Industry Specifications: API CI-4 ACEA E7 Global DHD-1

OEM Performance - Only for Automotive: CAT ECF-2 Cummins CES 20078, 20077, 20076

Application(s) - For Consumers pages: Passenger car
